Using The Office Apps Online Through Office 365

You can now use the Microsoft Office Applications (Word, PowerPoint, Excel, etc.) online from within your Office 365 main page.

1. Open your web browser and go to office365.wsu.edu.

2. Sign in on the Login Page with your Network ID and Password.

3. Once on the main Office 365 page, you can then click on the icon for the Office Application you wish to use. It will open in a new window.
