1 Dial
To dial, lift the handset and enter a number. Or:
• Press an unlit session button (right side).
• Press the New Call softkey.
• Press the (unlit) headset button or speakerphone button.

Dial from Call History
As you enter a phone number, matching numbers display from your call history.

Dial from Call History

1. Double-tap a number to dial it, or scroll to the number and press the Select button in the Navigation pad.

3 Answer
To answer a ringing call, lift the handset. Or:
• Press the flashing amber session button (right side).
• Press the Answer softkey.
• Press the (unlit) headset button or speakerphone button.
• Press the Select button in the Navigation pad.

3 Answer

1. Call Waiting
If you get a second call while the first call is active, a second session label displays.

Call Waiting

1. To connect the second call and put the first call on hold automatically, press the flashing amber session button (right side).

4 Mute
Press the Mute button to toggle Mute on and off. When Mute is on, the Mute button glows red.

5 Divert
Use Divert to redirect a ringing or active call to voicemail or to another phone number (set up in advance by your system administrator). You must resume a held call before you can use Divert. Divert affects the highlighted call only. If necessary, scroll to the call before pressing Divert.

5 Divert

1. Forward All

1. Press the Forward All softkey.
2. Enter a phone number, select a number from Call History, or press the Messages button (to forward to voicemail).
3. Look for Forward All icon on your screen.
4. To cancel call forwarding, press the Forward Off softkey.

Your system administrator can help you forward calls remotely from your User Options web pages.

6 Hold
Press the Hold button. The hold icon displays and the session button pulses green.

1. To resume the highlighted call, press the pulsing green button, the Resume softkey, or the Select button in the Navigation pad. (Note that pressing the Hold button again does not resume a call from hold.)

7 Hold

For best results, print on 8.5 x 14” (legal-sized) paper.
8 Do Not Disturb
Press the DND button (if available) to toggle DND on or off. The phone displays a red light and may block visual notification for new calls.

9 Conference
1. From a connected call (not on hold), press the Conference button to start a conference, highlight a name and press the Conference button (before or after the party answers). The conference begins and the phone displays “Conference” instead of caller ID.
2. Make a new call.
3. Press the Conference button or the Conference softkey (before or after the party answers). The conference begins and the phone displays “Conference in” a held call (not on hold), press the Conference button to start a conference. The conference ends when all participants hang up.

10 Transfer
1. From a connected call (not on hold), press the Transfer button (before or after the party answers). The transfer is complete. Confirmation displays on your phone screen.
2. Call the transfer recipient.
3. Press the Transfer button or the Transfer softkey (before or after the party answers). The transfer is complete. Confirmation displays on your phone screen.

11 Call History
Press the Applications button and select Call History. The last 150 calls display:
- Missed calls
- Placed calls
- Received calls
To dial, double-tap a call. Or, scroll to a call press the Select button in the Navigation pad or the Call softkey.
To view details for a call, highlight the call and press these softkeys: More > Details.

View new missed calls
Press the session button next to the Missed Calls icon on the right side of the screen (may include a count of missed calls). The Missed Calls icon displays in this location when you have new (not yet viewed) missed calls.
Or, view your missed calls history by opening call history and pressing the Missed Calls softkey.

12 Directories
1. Press the Contacts button and select a directory.
2. Enter search criteria and press Submit.
3. To dial, double-tap a listing. Or, scroll to a listing and press the Select button in the Navigation pad or the Dial softkey.

13 Shared Lines
If you share a line with a co-worker or an administrative assistant:
- Either you or your co-worker can answer a ringing call on the shared line.
- When your co-worker has a call on the shared line, your shared line button is solid red and the call displays on your screen.
- When your co-worker puts a call on hold, the session button on your phone pulses red. You or your co-worker can resume the call.

Privacy & Barge
You or your co-worker can use Privacy to block calls from displaying on the other person’s screen. If your co-worker is not using Privacy, you can press the red session button on your phone to “barge” (add yourself to) a call on the shared line, creating a conference.

14 Voicemail
New message indicators:
- A solid red light on your handset.
- A stutter dial tone on the line (if enabled).
- A voicemail icon next to the line label and session button (may include message count).

Listen to messages
Press the Messages button and follow the voice prompts. Or, press the session button next to the voicemail icon.

15 Tips
What are the buttons next to my screen?
- The buttons on the left side of your screen are feature buttons. Line buttons change line views but do not affect active calls.
- The buttons on the right side of your screen are session buttons. Each call correlates to a session button. Use session buttons to answer and resume calls or to view call details.

How do I use the touchscreen?
- To select items, gently press or double-tap (as needed) using your fingertip or a pencil eraser.
- To scroll down a page, “flick” the last item up.
- To disable the touchscreen for 60 seconds, press and hold the Select button in the Navigation pad until confirmation displays.

How do I silence my ringing phone?
Press the left side of the volume button one time while the phone is ringing.

How do I change my ringtone?
1. Select Applications > Preferences > Ringtone, then select a line and press Edit.
2. Select a ringtone and press Play, then press Set.

What does the Back button do?
Press the Back button to back out of applications and menus.

Where can I find a complete User Guide?
